

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

Americans need to get their news from as many different sources as possible, now more than ever. Please do not further relax ownership rules on media outlets- the damage done by the Telecommunications Act of 1996 is considerable. These media conglomerates are growing far too large, and it is impacting the free flow of information. Please vote no.

Thank you,

Wendy Schroell
